John Evelyn - English Diarist

With her own death now predestined, Riley has to work to restore balance in the devastation with the knowledge that she only has a set number of days remaining.

The Nam (1986-1990) #29

And probably the second. In sum, Mitchell elegantly presents a philosophy of science called integrative pluralism - a promising new perspective which might need further elaboration but is already fascinating in its current state.

John Evelyn - English Diarist

With her own death now predestined, Riley has to work to restore balance in the devastation with the knowledge that she only has a set number of days remaining.

Representations of Finite Groups [lecture notes]

Animation Genediver Vol.
