I didn't know to drain the black beans, so I hope it isn't too soupy. Savine dan Glokta - socialite, investor, and daughter of the most feared man in the Union - plans to claw her way to the top of the slag-heap of society by any means necessary. Givemeabreak...oraslice.InLockeandLeibnisonSubstance. With the development of early Renaissance territorial states in the late fourteenth century and more so with early modern states north of the Alps in the sixteenth century, cruelty of state repression with new rituals of brutality spread from the punishment of a handful of leaders to the mass execution of fifty or more, and to the wholesale destruction of subject population by the mid-fifteenth century and into the early modern period - the massacre of innocents in sacks of cities in northern France and the Low Countries. While he says so, however, the message arrives that an army of crusaders is approaching from Venice. I don't post often, I'm mostly commenting, which doesn't get much upvote love. His first book Chiefs was very good but it is obvious he doesn't put any effort in his last series of books.
