The Pocos de Caldas Project: Natural Analogues of Processes in a Radioactive Waste Repository: Natural Analogues of Processes in Radioactive Waste Repository

Changing old automatic behavior patterns such as preservative will be an effortful process for some time until the new behaviors - in this case, controlled drinking habits - are themselves well practiced and become automatic. With the summer sun bearing down hard and splashes of paint dotting their bodies, clothes are quickly stripped off and tossed aside.

Im not Scared: Text Guide

They are sons and daughters of our Heavenly Father. Ignorant of all but the mere outlines of history, I would lie on the high top of an arched wall dreamily basking in sunshine among flowers and grass, delighting in the beauty with which Nature clothed the decay of greatness.
