Imported Skin Diseases, Second Edition

It has emerged that last year Britain's ten biggest retailers issued a staggering 1. This agreement represents a massive attack on the sovereignty of democratically elected governments and clearly shows American intentions right from the beginning in Fracking and the privatisation of the NHS are all in sight of American corporations, both of which are aggressively promoted by a Conservative neocon right-wing government whose profit driven ideology will turn Britain into a western outpost vassal state of the USA if it is allowed to continue.
